Nextdoor

Product Design Intern & KPCB Design Fellow | June 2016 – Present

Selected from over 2,500 applicants nationwide to participate in the KPCB Fellowship program as a Design Fellow. Joined Nextdoor, a private social network for neighborhood communities. Responsible for developing potential solutions for various design problems across mobile and web interface. Collaborating with multidisciplinary teams to design new features and reimagine the core experience of the product.

IDEO Boston

Food + Future coLAB Fellow | January 2016 – May 2016

Selected as one of the 23 fellows for the Food + Future coLAB, a joint venture incubation program run by IDEO, the MIT Media Lab, and Target. Led the visual design direction for Poly, an innovative EdTech venture that connects students with nature through a controlled environment agriculture technology platform known as the Food Computer.

IDEO Tokyo

Communication Design Intern | June 2015 – August 2015

Worked on a variety of projects, working with teams on design research and synthesis. Was primarily responsible for creating visual aids to communicate a clear, compelling vision and strategy based on client requirements. Output produced ranges from printed materials and UI/UX screens, to concept/presentation decks for key stakeholders.

Landor Associates

Design Intern | January 2015 – February 2015

Assisted on diverse projects ranging from brand developing to logo designing. Main responsibilities included researching, concept proposal, graphic execution, tagline development, brand strategy and more. Had one logo design officially selected as the final design, in addition to two package designs selected for the final client presentation.

cocoroé, inc.

Design Intern | June 2014 – August 2014

Collaborated with art directors to develop various graphics, editorial designs, and identity systems. Involved in meetings with clients and worked on both web and print based commercial projects. Responsibilities included researching, photo-editing, and creating vector communications art.
